Class Will

We, the senior class of 1955, of New Marion School, the county of Ripley, the State of Indiana, being in as good mental conditions as usual and in much better temper than usual, do hereby make this our last will and testimony, rendering void and of no avail if there are any former will or wills that may have been previously made by us during a period of temporary optimism.

To the freshmen, we leave Emerald's or just anything green.

To the sophomores, we leave moonstones; for they are always in love.

To the juniors, we leave grimstones; they only know the reason why.

To all future seniors, we leave Tombstones; four years of this will kill anybody.

Mary Ann wills her ability to drive a car to Carl Trader.

Lila wills her ability to flirt with boys to Alpha Spurlock.

Rudolph wills his ability to be quiet in class to Joe Day.

Billy wills his ability to get along with Mrs. Graves to Stevie Palmer.

Class History

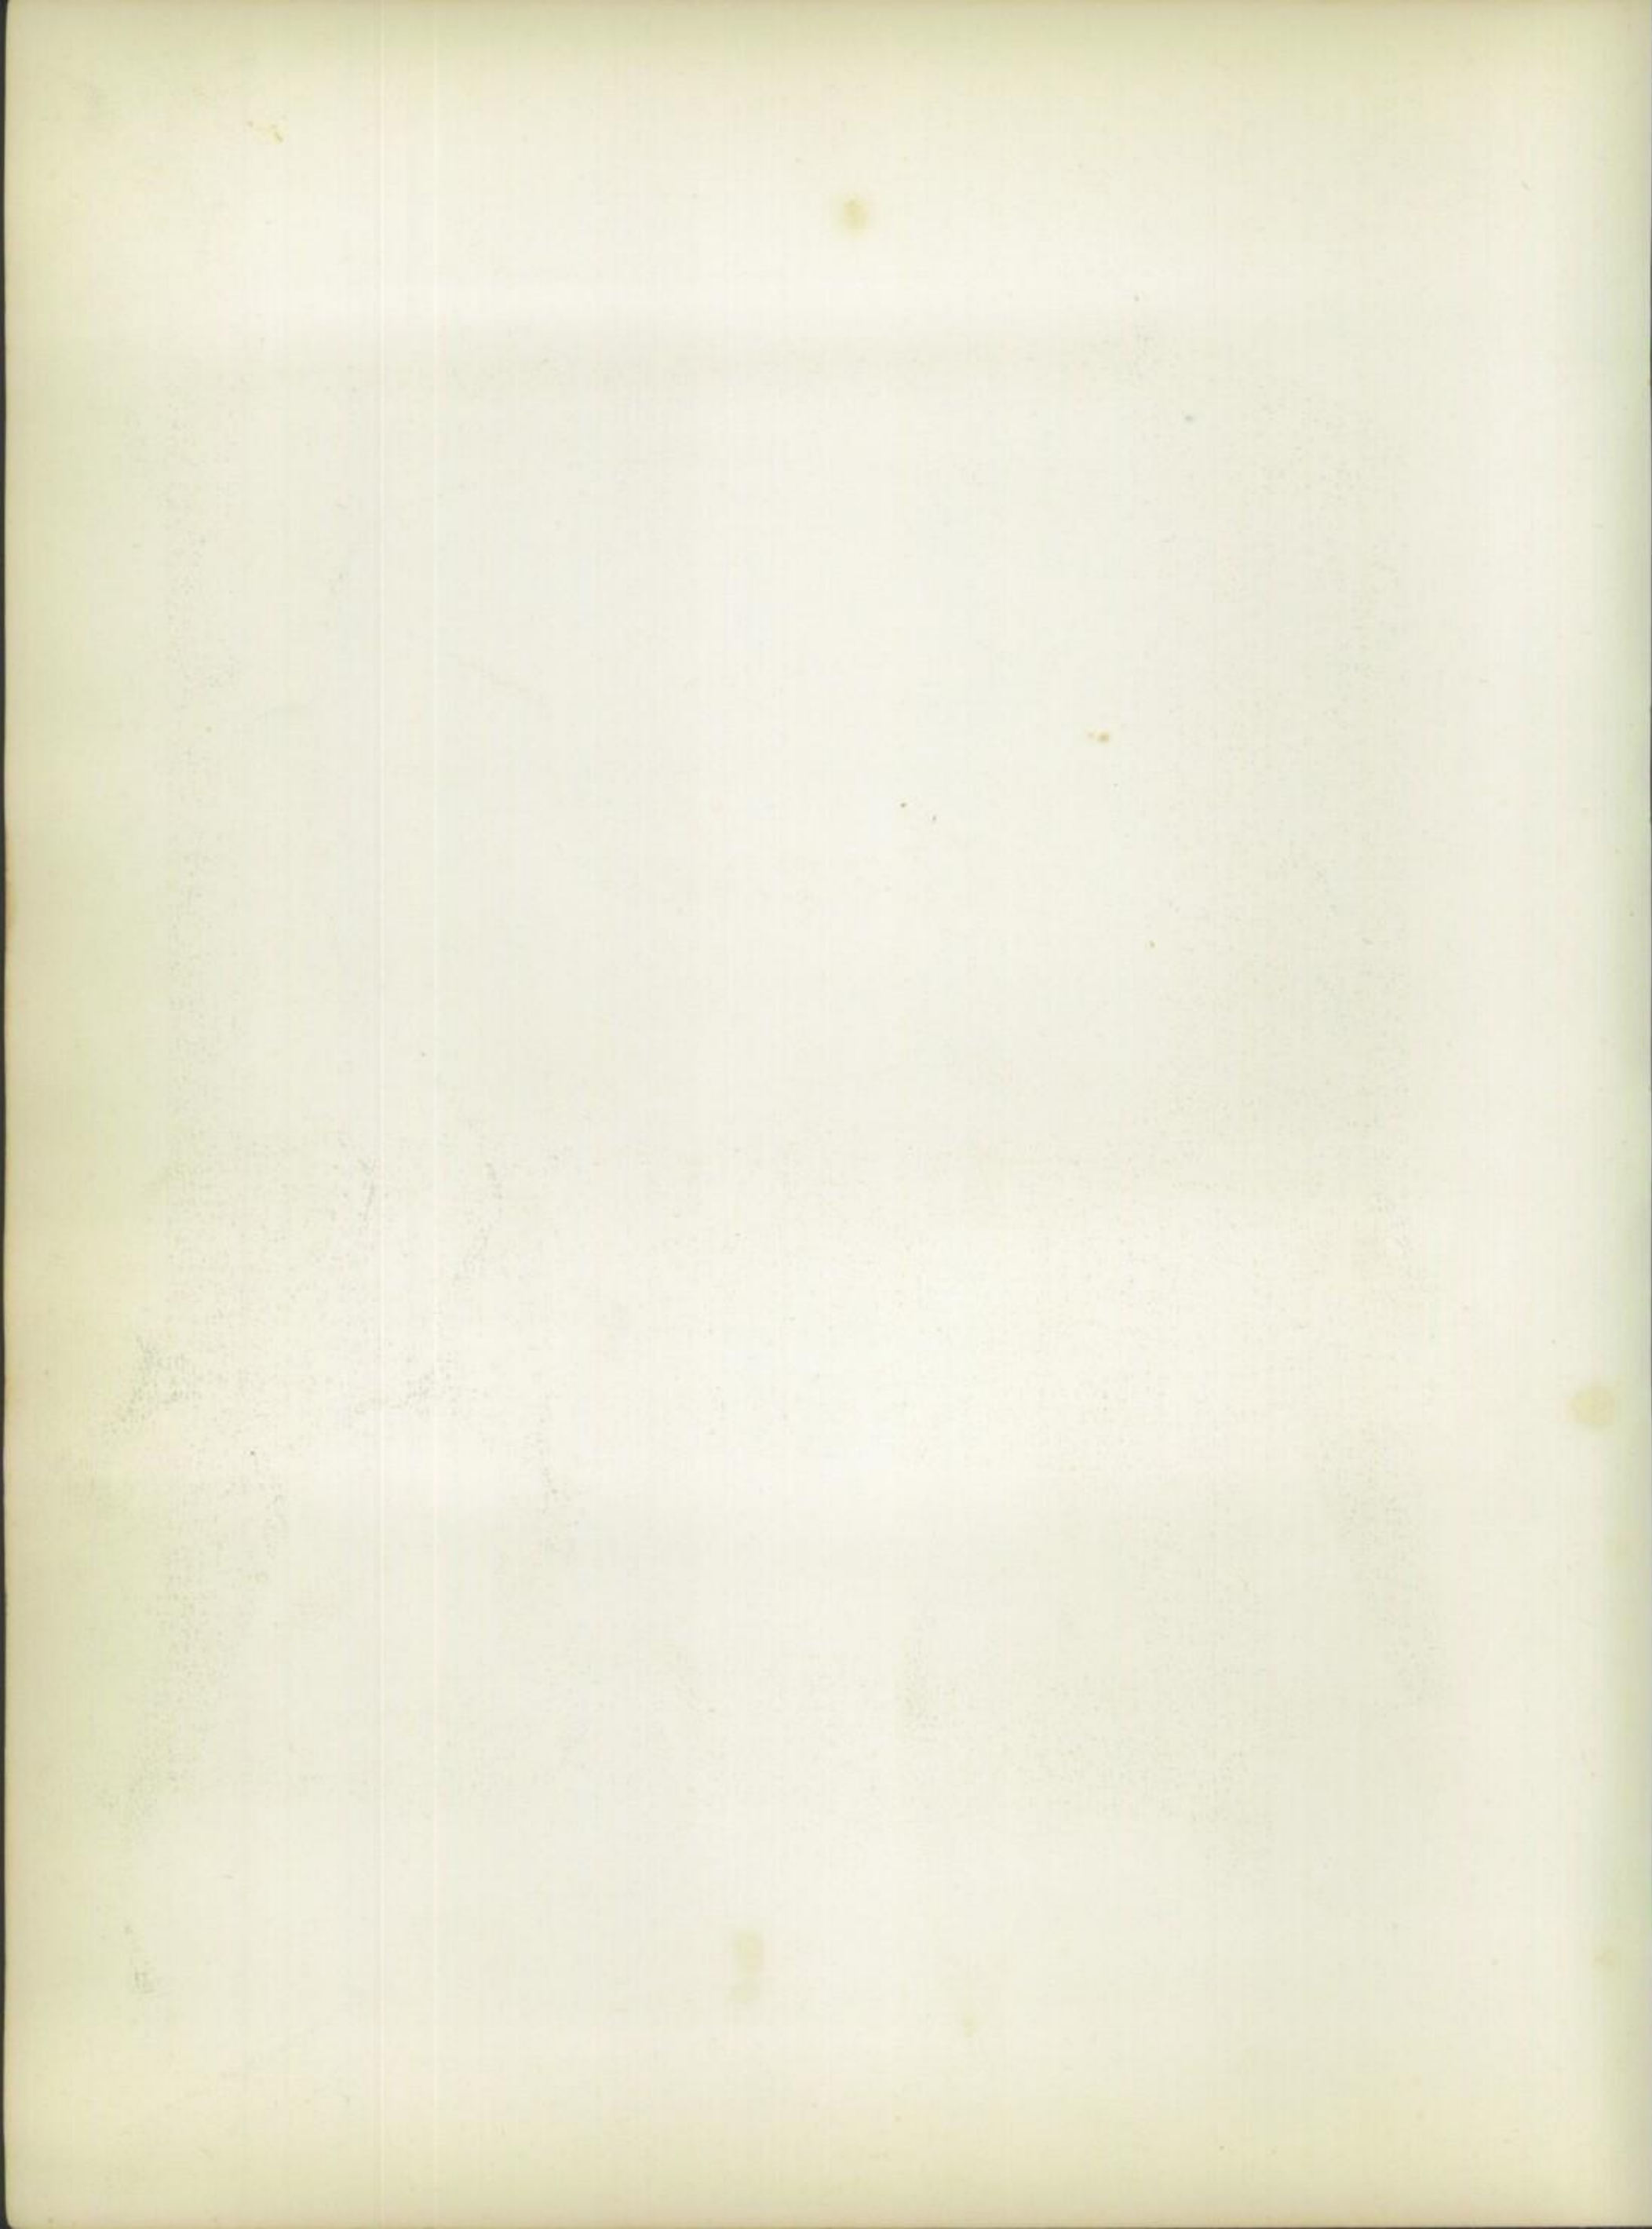

From the twenty elementary graduates, eighteen entered their freshman year in high school in the year of our Lord, nineteen hundred and fifty. We chose Mr. Woodrow McGee as our class sponsor. During this year we were unfortunate to lose two students.

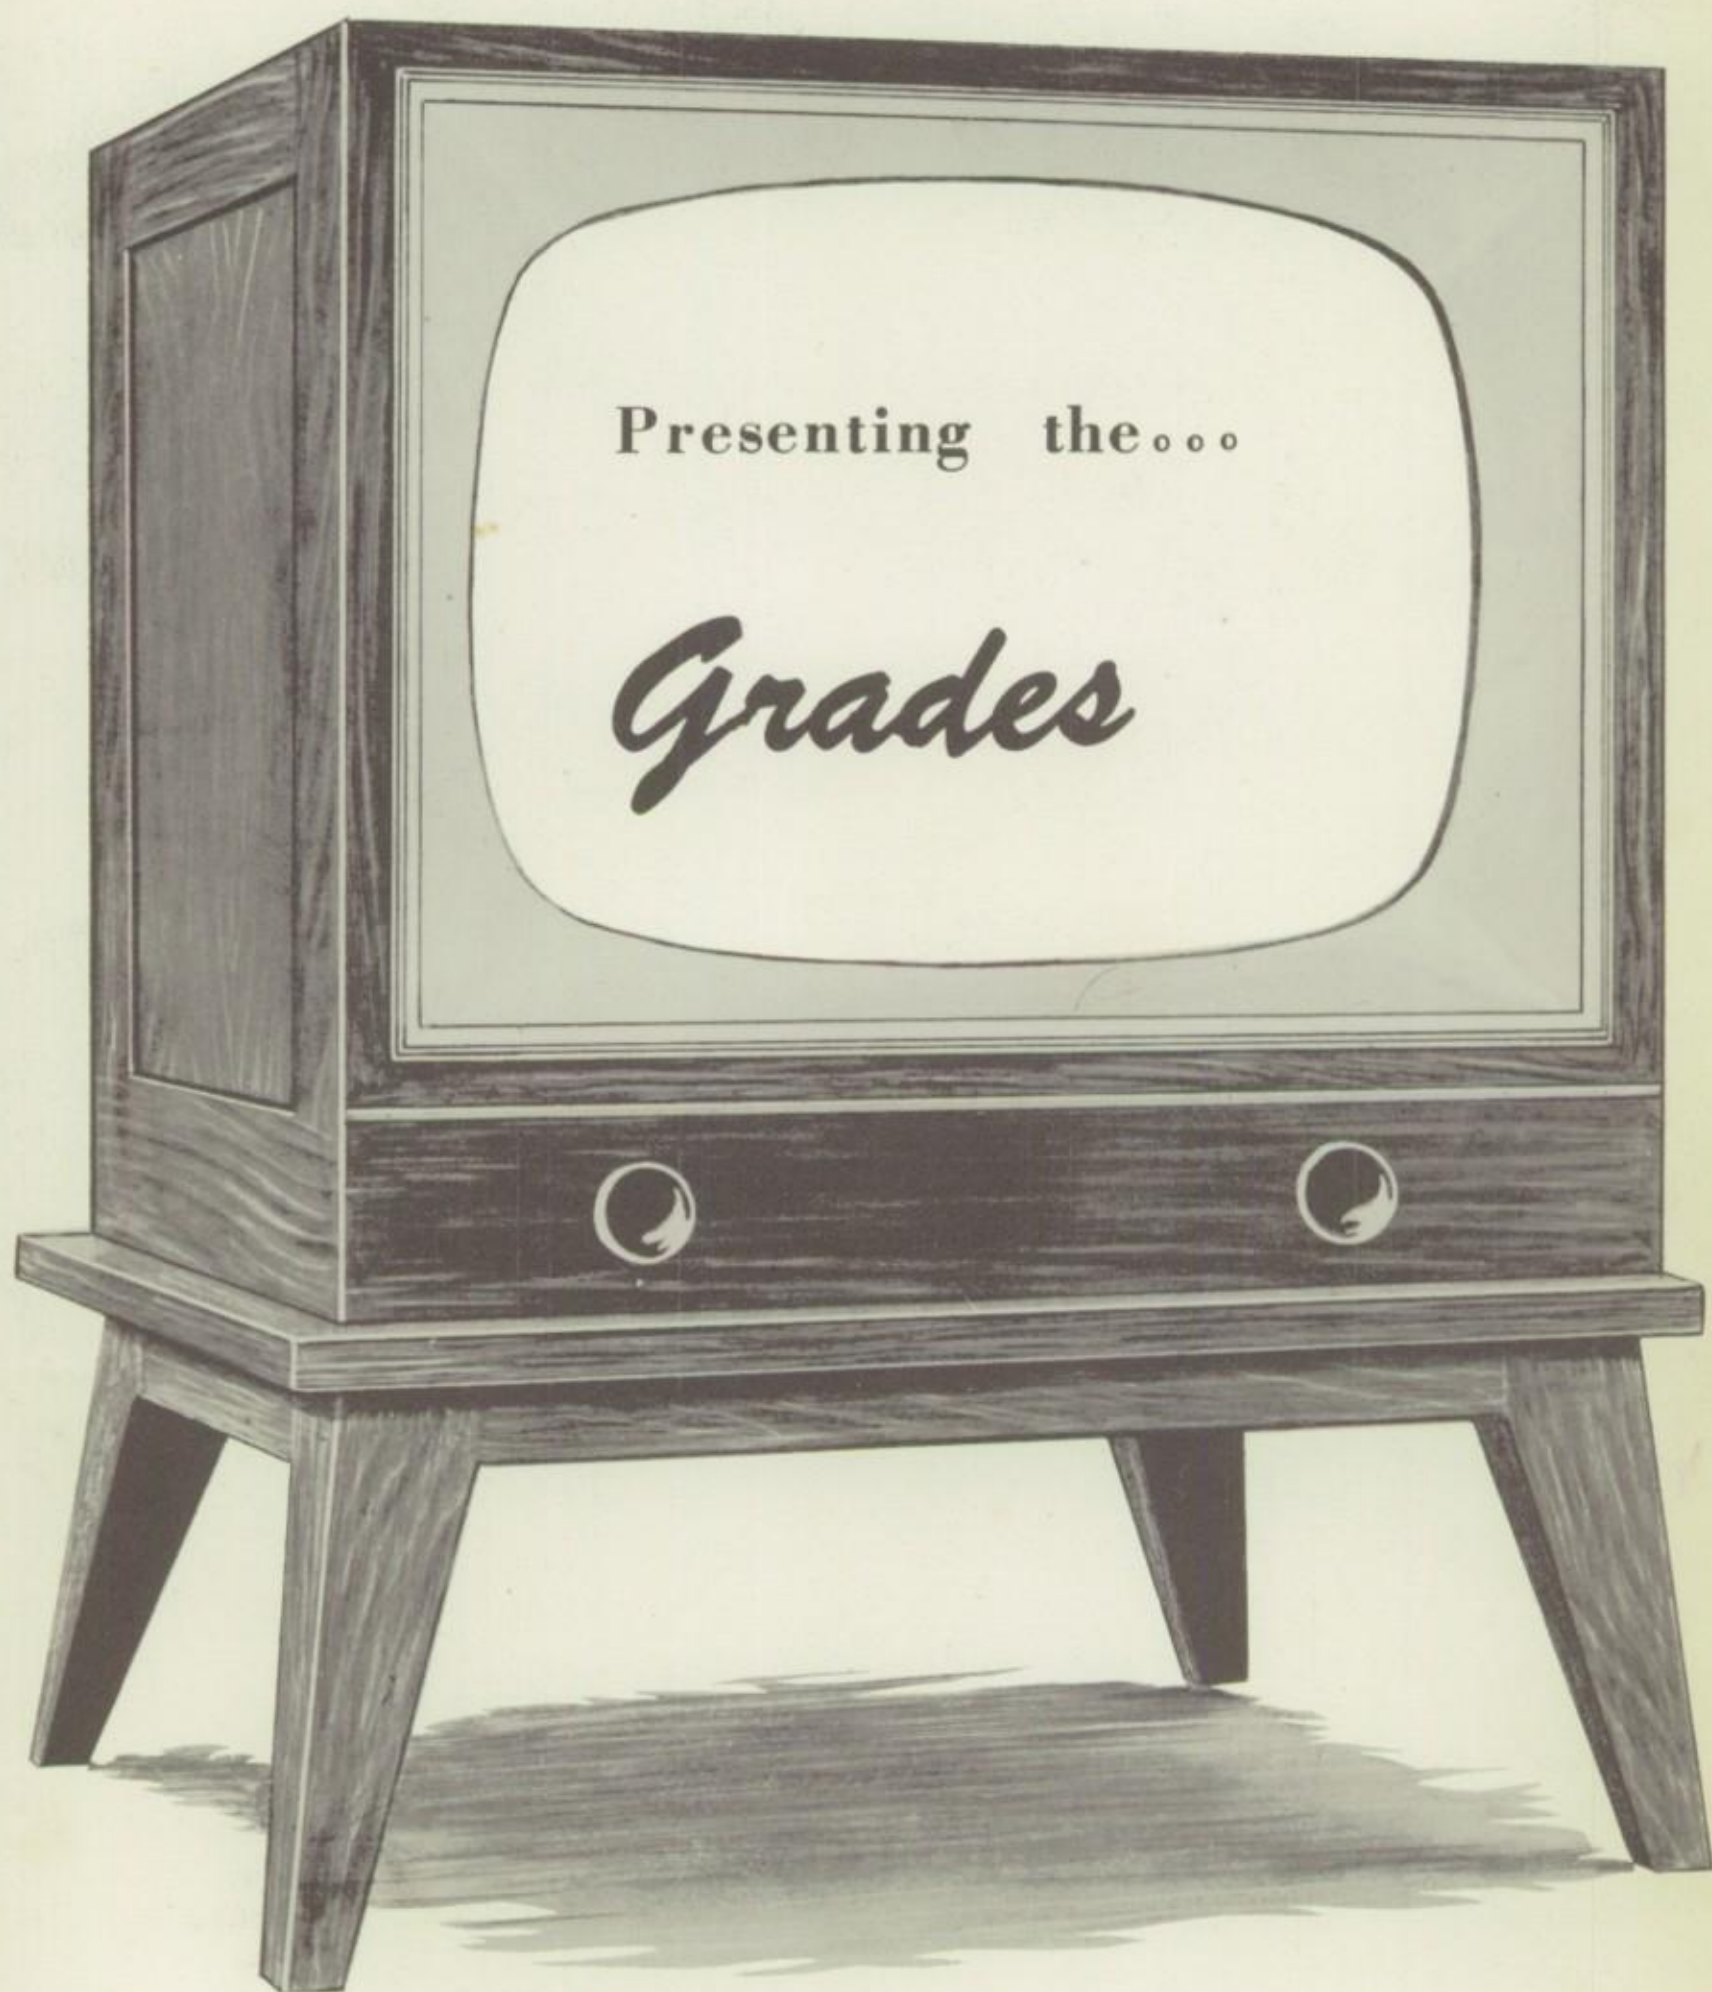

We began our sophomore year with sixteen in our class. We chose Mr. Carl Ebel as our sponsor that year.

We welcomed a new member in our junior year, making our enrollment now seventeen. We gave our junior class play, "Tumblin Crick". We had an enjoyable time giving it.

That year we chose Mrs. Mary Graves as our class sponsor. We gave the seniors a prom at Clifty Inn at the end of the year.

We are now seniors. We chose Mr. Roy Sieg as our sponsor. We had a class play and ended the year by taking a class trip.

Farewell to the Teachers

We, the class of fifty-five,
Bid a sad farewell,
To our classmates and our
Teachers who have done so well.

We'll especially miss our teachers
So we made this little rhyme,
About each and everyone of them
And we hope that they won't mind.

Farewell to Mr. Sieg,
We're leaving everything to you,
We hope that you will remember us
In spite of what we do.

So long, Mr. Baber,
The ballgames are in your hands,
Teach the boys to hit the baskets
And that will please the fans.

Good-bye, Mr. Jeffries,
We're going to miss you
Thanks a lot for your help,
In getting us through school.

Farewell, Mrs. Graves,
We still don't understand
Why we study English,
But someday we can.

Farewell to all you teachers
Our life we now begin,
Farewell to all you teachers
Until we meet again.
